Magone project open house rescheduled to offer additional informational opportunities

JOHN DAY, ORE. – The Blue Mountain Ranger District will be hosting an open house for the Magone project to provide further opportunities to contribute information, ideas, or concerns and discuss the project with members of the project's interdisciplinary team.

The open house, previously scheduled for March 1, has been changed to March 8, 2016 due to unforeseen conflicts. The meeting is booked from 5:00 p.m. to 8:00 p.m. at the Malheur National Forest Supervisor's Office / Blue Mountain Ranger District (Juniper Hall), 431 Patterson Bridge Road, John Day, OR 97845.

We apologize for any confusion this may have created, but feel this new date will provide for greater participation of our community members.
